

Project Imagine

A Ministry of
Rosedale Park Baptist Church
14179 Evergreen
(313) 538-1180
imagine@at-the-dale.net

Vision

Volunteers rising to the challenge to save the community. Making a commitment to not only rehabilitate properties, but to provide food for the hungry, shelter for the homeless, comfort for the lonely and refuge for the abused.

Mission

To build a relationship with our neighbors, both locally and cross culturally, while striving to become a driving force in reclaiming and revitalizing the community

- Build More Garden Boxes
- Plan Spring Planting

Origin

In 2009, our Pastor had a vision which moved him to start a beautification program to do some remodeling inside the church and change the landscape surrounding the church. More importantly, his vision included starting a community garden to help provide fresh vegetables for the less fortunate and homeless.

He recruited seven members to form a committee and spearhead the work. Thus was born "Project Imagine" *...imagine change and all things like new.*

Pastor began surveying the dying community outside of the block where the church resides and the vision grew. God placed it on his heart to launch a campaign to rebuild and beautify beyond our block and into the Brightmoor community.

We are now working in collaboration with local residents from Vaughan and Heyden streets, the Brightmoor Alliance, the Pastor's Alliance and the Greening of Detroit/Garden Resource to bring new life into Brightmoor.

Projects Completed in 2009
